

APSR 2018 Program at-a-glance (Daily)

Thursday 29 November 2018

Time\Room	Plenary Hall 3F	201A 2F	201BC 2F	201DE 2F	201F 2F	105 1F	North Lounge 3F	South Lounge 3F
09:00-12:00		Pre-congress Workshop 1 Severe asthma - TBC	Pre-congress Workshop 2 Interventional techniques 1 - Interventional workshop	Pre-congress Workshop 3 Early detection of lung cancer - TBC	Pre-congress Workshop 4 Neurobiology and sleep 1 - Home ventilator during sleep	Pre-congress Workshop 5 RESPIROLOGY workshop: Author awareness of transparency for successful publishing	Pre-congress Workshop 6 IPF Treatment in real world - TBC	APSR Business Meeting
12:45-13:30		Lunch						
14:00-17:00		Pre-congress Workshop 7 Respiratory infections - Molecular diagnosis of pneumonia	Pre-congress Workshop 8 Interventional techniques 2 - Interventional workshop	Pre-congress Workshop 9 How to approach small lung module (CT guide)	Pre-congress Workshop 10 Neurobiology and sleep 2 - Home ventilator during sleep	Pre-congress Workshop 11 ISR	Pre-congress Workshop 12 Ultrasound - Ultrasound Diagnosis in Chest Diseases and Ultrasound Guided Needle Aspiration Biopsy (Hands-on Session)	
17:30-18:30	Opening Ceremony							

Registration 08:00-19:00 @Lobby, 1F

Welcome Reception 18:30-20:30 @Banquet Hall, 3F

Friday 30 November 2018

Time\Room	Plenary Hall 3F	201ABC 2F	201DEF 2F	VIP 4F	102 1F	103 1F	105 1F	Banquet Hall 3F	South Lounge 3F
07:15-08:15	APSR Assembly Meetings								
08:10-08:50	Plenary Lecture Presidential lecture								APSR Business Meeting
09:00-10:30	Symposium 1 COPD 1 - TBC	Symposium 2 Presidents' symposium 1	Symposium 3 Respiratory structure and function - Emerging technology for pulmonary structure and function	Symposium 4 Pulmonary circulation 1- Diagnosis and registry for pulmonary hypertension		Oral Session 1 Tuberculosis 1	Oral Session 2 Bronchoscopy and interventional techniques 1		
	Coffee Break								
11:00-12:30	Symposium 5 ILD 1 - Pathology of interstitial lung diseases	Symposium 6 Respiratory neurobiology and sleep 1 - The impact of home ventilator over the world	Symposium 7 E-cigarette and health - TBC	Oral Session 3 COPD 1 - Epigenetics and microbiom in COPD	Symposium 8 Emerging threat of respiratory diseases in Asia-Pacific	Oral Session 4 Clinical respiratory medicine 1	Oral Session 5 Respiratory structure and function	Poster Presentation 1	
	Lunch Symposium 1 AstraZeneca Taiwan								
12:45-13:45		Lunch Symposium 1 AstraZeneca Taiwan	Lunch Symposium 2 Boehringer Ingelheim International GmbH	Lunch Symposium 3 Mundipharma		Lunch Symposium 4 ResMed	Lunch Symposium 5 Eli Lilly		
14:00-15:30	Symposium 9 ILD 2 - Clinical management of interstitial lung diseases	Symposium 10 TB 1 - Addressing MDR-TB in the era of end TB strategy	Symposium 11 Environmental & occupational health and epidemiology - TBC	Oral Session 6 Lung cancer 1	Young Investigator Award	Oral Session 7 Critical care medicine 1	Oral Session 8 Respiratory infections (non-tuberculous) 1	Poster Presentation 2	
	Coffee Break								
16:00-17:30	Symposium 12 Lung cancer 1 - Treatment for oligometastases	Symposium 13 Non-TB 1 - Invasive pulmonary fungal infection	Symposium 14 Critical care medicine 1 - Update in critical care	Oral Session 9 Asthma 1	Young Investigator Award	Oral Session 10 Environmental & occupational health and epidemiology	Oral Session 11 Interstitial lung disease 1		
	Evening Symposium 1 MSD Taiwan								
17:45-18:45									
Registration	07:00-17:30 @Lobby, 1F								
Exhibitor	09:00-17:30 @South & North Foyer, 1F / Room 101 / Corridor 1&2F								
Poster	09:00-17:30 @Banquet Hall, 3F								

Saturday 1 December 2018

Time\Room	Plenary Hall 3F	201ABC 2F	201DEF 2F	VIP 4F	102 1F	103 1F	105 1F	Banquet Hall 3F	South Lounge 3F
07:15-08:15	APSR Assembly Meetings								
08:10-08:50	Plenary Lecture Memorial lecture 1								APSR Business Meeting
09:00-10:30	Symposium 15 COPD 2 - TBC	Symposium 16 Presidents' symposium 2	Symposium 17 Critical care medicine 2 - Management of acute respiratory failure	Symposium 18 Pulmonary circulation 2 - Medical management and surgical interventions for pulmonary hypertension	Oral Session 12 Respiratory neurobiology and sleep	Oral Session 13 Clinical respiratory medicine 2	Oral Session 14 Bronchoscopy and interventional techniques 2		
	Coffee Break								
11:00-12:30	Symposium 19 Lung cancer 2 - Immunotherapy for lung cancer	Symposium 20 Non-TB 2 - Pulmonary diseases caused by nontuberculous mycobacteria (NTM) <i>Co-organized by ISAC working</i>	Symposium 21 Bronchoscopy and interventional techniques - Bronchoscopic treatment of benign lung disease	Oral Session 15 COPD 2 - Inflammatory mechanisms and immunomodulation in COPD	Oral Session 16 Paediatric lung disease	Oral Session 17 Critical care medicine 2	Oral Session 18 Pulmonary circulation	Poster Presentation 3	
	Lunch								
12:45-13:45		Lunch Symposium 6 <i>AstraZeneca Taiwan</i>	Lunch Symposium 7 <i>GSK</i>	Lunch Symposium 8 <i>Chiesi and OEP</i>	Lunch Symposium 9 <i>Boehringer Ingelheim International GmbH</i>	Lunch Symposium 10 <i>Novartis</i>	Lunch Symposium 11 <i>Novartis</i>		
14:00-15:30	Symposium 22 Lung cancer 3 - Update on targeted therapy	Symposium 23 Clinical respiratory medicine 1 - Current state of treatment for pleural disease	Symposium 24 Paediatric lung disease 1 - Is bronchopulmonary dysplasia preventable?	Oral Session 19 Asthma 2	Oral Session 20 Tuberculosis 2	Oral Session 21 Cell and molecular biology	Oral Session 22 Respiratory infections (non- tuberculous) 2	Poster Presentation 4	
	Coffee Break								
16:00-17:30	Symposium 25 Clinical respiratory medicine 2 - Update of lung transplantation	Symposium 26 Respiratory neurobiology and sleep 2 - The phenotype of obstructive sleep apnea syndrome	Symposium 27 Paediatric lung disease 2 - Pediatric asthma	Oral Session 23 Lung cancer 2	Oral Session 24 Tuberculosis 3	Oral Session 25 Clinical allergy and immunology	Oral Session 26 Interstitial lung disease 2		
	Evening								
17:45-18:45		Evening Symposium 2 <i>OEP</i>	Evening Symposium 3 <i>GSK</i>	Evening Symposium 4 <i>Roche</i>		Evening Symposium 5 <i>Novartis</i>	Evening Symposium 6 <i>AstraZeneca Taiwan</i>		

Registration	07:00-17:30 @Lobby, 1F
Exhibitor	09:00-17:30 @South & North Foyer, 1F / Room 101 / Corridor 1&2F
Poster	09:00-17:30 @Banquet Hall, 3F
Gala Dinner	19:00-21:00 @Grand Hyatt Taipei

Sunday 2 December 2018

Time\Room	Plenary Hall 3F	201ABC 2F	201DEF 2F	102 1F	South Lounge 3F
08:10-08:50	Plenary Lecture Memorial lecture 2				APSR Business Meeting
09:00-10:30	Symposium 28 Asthma 1 - Phenotypes of severe asthma and evolving treatment	Symposium 29 TB 2 - Management of latent TB infection (LTBI): An update	Symposium 30 Clinical respiratory medicine 3 - Recent advance in thoracic imaging biomarker and functional imaging of the chest	Oral Session 27 COPD 3 - Advance treatment and pulmonary rehabilitation in COPD	
	10:30-11:00 Coffee Break				
11:00-12:30	Symposium 31 Asthma 2 - Novel pathogenesis of severe asthma	Symposium 32 Cell and molecular biology - Molecule- and Cell-based therapeutics in advanced lung diseases	Symposium 33 Clinical allergy and immunology - TBC	Oral Session 28 Lung cancer 3	
	12:30-13:00	Closing Ceremony			

Registration	07:00-12:30 @Lobby, 1F
Exhibitor	09:00-12:30 @South & North Foyer, 1F / Room 101 / Corridor 1&2F
Poster	09:00-12:30 @Banquet Hall, 3F
Half-day City Tour	13:00-18:00 Route: TBA
